Work Experience

On Call Producer, KQED News

San Francisco, California

June 2017-present

Worked across KQED newsroom with digital, newscast and *The California Report* teams. Scheduled, strategized and executed engagement plan across social media platforms. Helped produce weekly *The California Report Magazine*. Reported on justice, education, health care and other topics on deadline for newscasts and online.

Intern, The California Report

San Francisco, California

January 2017-June 2017

Provided production and editorial assistance for weekly 30-minute radio newsmagazine distributed to dozens of California public radio stations. Adapted radio segments into engaging digital and social media content on deadline. Collaborated with small team to produce multiple special programs around the presidential inauguration, refugees and immigration.

Bookseller, Books Inc.

Palo Alto, California

June 2016-June 2017

Assisted customers of all ages in identifying and selecting appropriate books at independent book store. Grew Facebook page engagement and audience to 1,500 people with original weekly videos and other targeted content.

Radio Intern, KQED News

San Francisco, California

June 2016-December 2016

Reported and produced multiple daily newscast stories on deadline for NPR member station. Regularly pitched and produced original digital news content on deadline. Covered breaking news stories providing live on-air debriefs, regular online and social media updates and Facebook Lives. Reported on transportation, housing and the environment among other topics.

Producer and Reporter, KBIA News

Columbia, Missouri

August 2015-May 2016

Reported multimedia spots and features on deadline for on-air and online publication for NPR member station. Developed and coordinated cross-newsroom coverage of major documentary film fest. Worked across newsrooms to produce weekly business show. Trained and assisted print reporters in audio gathering, story development, script writing and voicing.

Contributing Writer, Vox Magazine

Columbia, Missouri

June 2015-May 2016

Pitched and wrote content on deadline for award-winning city magazine's print and online publications. Produced weekly articles for food and books beats. Wrote weekly movie and food reviews in addition to other content as needed.

Student Coordinator, Freshman Interest Group Program

Columbia, Missouri

June 2015-May 2016

Supervised 20 student instructors who each taught credit-earning seminar courses to first-year students focused on business, culture, arts, social justice, multiculturalism and leadership. Reviewed and provided constructive feedback on lesson plans and classroom management. Collaborated with five others to coordinate program that serves more than 2,000 students.
